

Figure II: The Risks-Trends Interconnections Map 2018

Source: World Economic Forum Global Risks Perception Survey 2017–2018.

Note: Survey respondents were asked to select the three trends that are the most important in shaping global development in the next 10 years. For each of the three trends identified, respondents were asked to select the risks that are most strongly driven by those trends. See Appendix B for more details. To ensure legibility, the names of the global risks are abbreviated; see Appendix A for the full name and description.
